LPM 2015 – The Project

LPM 2015 is co-funded by the **"Creative Europe" Culture Program, Regione Lazio Assessorato Cultura e Politiche giovanili**, in collaboration with the **Municipality of Formello**.

LPM 2015 is part of the 15 events included in the project **"LPM 2015 > 2018"** co-funded by the EU Culture Program "Creative Europe" for Large Scale Projects, involving 15 events per year for a period of three years, including 14 partners from 13 countries.

LPM is part of **AVNODE**, online international platform, whose purpose is to improve and promote the veejaying culture worldwide.

LPM is designed to promote the transnational movement and exchange of ideas, works of art and artists. All funds recovered by LPM are invested to support innovative research and experimentation in the field of live video through the use of the most modern and sophisticated technologies.

Made in collaboration with international partners and co-organizers, the project includes a series of previews and promotional events focused on live video, which will be held in the 13 countries already involved in the project: Belgium, England, Austria, Holland, Hungary, Poland, France, Spain, Germany, Czech Republic, Greece, Turkey.

LPM is produced and organized by **Flyer Communication, Linux Club, FLxER.net**
